

For Community Judges: Point Loma Classic 2019

Schedule and Terminology

Step 1 of Judge Registration will ask for your Contact Information. You will also be asked to check one of the following:

- I am a competitor's parent
- I am NOT a competitor's parent / I am a community judge
- I am an Stoa/NCFCA/CCpfSE/etc. alumni

Please make sure you check the middle option, letting us know that you are a community judge.

Step 2 of Judge Registration will ask for your Availability

You can check the box/es next to the round/s when you **WILL** judge. (If you are available, you may sign up for multiple time slots.)

Note: It is not possible to judge consecutive rounds.

Included in the time blocks is the 45 minute training session held before the scheduled round, as well as the 30 minutes needed after the round to fill out your ballot and enjoy refreshments. The total time you should allow for training, judging, and completing your ballots for each round is approximately 3 hours.

For example, if you choose to judge IE Pattern A Round 1 on Thursday, January 3rd, your training will begin at 10:15 am, you will be judging from 11:00 am to 12:45 pm, and you should be able to complete your ballots by 1:15 pm, for a total of 3 hours for that round.

With that in mind, if you are available to judge more than one round on a given day, make sure they are not consecutive rounds.

Note on Terminology:

"IE" refers to: Speeches, which are divided into two patterns for this tournament ~

Pattern A includes speeches in these categories – Demonstration, Dramatic Interp, Extemporaneous, Mars Hill Impromptu, Open Interp, and Persuasive.
